PRODUCT DESCRIPTION

Meet the [PRO 2 LIGHTSPEED Gaming Mouse](#): the pro players' gateway to victory. With lightning-fast responsiveness, precision tracking, and unwavering reliability, PRO 2 LIGHTSPEED is built to give players a winning edge in every competition.

The tried and true ambidextrous design that players all know and love, now upgraded with LIGHTFORCE Hybrid switches, tournament-grade LIGHTSPEED wireless, and HERO 2 sensors for precision tracking up to 32,000 DPI and over 500 IPS.

The LIGHTFORCE switches provide a seamless blend of speed and tactile feedback. Designed for professional esports, PRO 2 LIGHTSPEED delivers unparalleled accuracy, speed, and responsiveness, making it ideal for competitive gaming.

This mouse is designed to be ambidextrous and customizable with up to 4 switchable, magnetic, and programmable buttons that adapt to any playing style. Make it feel uniquely yours with incredible comfort and performance.

The PRO 2 LIGHTSPEED Wireless Gaming Mouse is now available in Black, White, and Pink.

KEY FEATURES

- **DESIGNED WITH PROS, ENGINEERED TO WIN:** Enhancing a PRO gaming icon with heightened speed and precision, PRO 2 LIGHTSPEED brings a competitive edge for a step closer to victory.
- **CHAMPION-LEVEL PRECISION:** Experience the most advanced tracking in gaming with our HERO 2 sensor, delivering pro-precision at 44k DPI and 888 IPS/88G acceleration coming soon via a free firmware update through G HUB.
- **PRO CONNECTIVITY:** Undisturbed gaming, wherever you play. Our LIGHTSPEED wireless is tested to deliver a responsive and reliable tournament-grade experience with 1 kHz

report rate. Or upgrade to 8kHz with optional PRO LIGHTSPEED receiver (sold separately, available in October for \$29.99).

- **PRO IN EVERY CLICK:** LIGHTFORCE switches combine the speed and reliability of optical switches with the satisfying feel and low power consumption of mechanical switches.
- **NEXT LEVEL READY:** This evolved championship-winning mouse has up to 95 hr battery life, USB-C charging, and POWERPLAY compatibility for continuous wireless charging.
- **FIND YOUR FIT:** The PRO 2 LIGHTSPEED has an ambidextrous, modular design with switchable, magnetic and programmable buttons; suitable for use with either hand and customizable for many gaming styles and grips.
- **LIGHTSYNC RGB** Lighting enables dynamic and customizable illumination that can be synchronized to games, videos, and music.
