Announcement Date: September 17, 2024

Price: 169,99 € / 4 199 CZK

Available at logitechg.com

Designed with Pros. Engineered to Win.

PRODUCT DESCRIPTION

Introducing a new shape to the PRO Series lineup, the [PRO X SUPERLIGHT 2 DEX LIGHTSPEED Wireless Gaming Mouse](#), the next evolution of a champion-winning mouse.

Logitech G partnered with top esports athletes to craft an ergonomically asymmetrical mouse that enhances comfort for the right hand, optimizing control with its perfect balance of shape, weight, and feel. PRO X SUPERLIGHT 2 DEX is built on a winning combination of performance with Logitech G's advanced HERO 2 sensor, tournament-grade LIGHTSPEED wireless, and fast, reliable LIGHTFORCE switches. The HERO 2 sensor is now capable of tracking at up to 44k DPI for precise control across a full range of motion - up to 888 IPS/88G acceleration - and ensures reliable performance up to 8 kHz polling rate.

PRO X SUPERLIGHT 2 DEX continues the SUPERLIGHT family legacy, celebrated for 60 g weight and unrivaled performance. With the performance and power efficiency of groundbreaking innovations in the HERO 2 sensor, LIGHTSPEED wireless, and LIGHTFORCE switches, players can get up to 95 hours of battery life on a single charge.

Quickly recharge using USB-C, or POWERPLAY (sold separately) for complete wireless freedom.

The PRO X SUPERLIGHT 2 DEX LIGHTSPEED Wireless Gaming Mouse is now available in Black, White, and Pink.

KEY FEATURES

- **DESIGNED WITH PROS, ENGINEERED TO WIN:** Designed alongside the world's best esports athletes to enable players to perform at their peak and unlock potential.
- **ERGONOMIC COMFORT:** The asymmetrical, right-hand design and programmable side buttons were designed specifically for players who prefer a larger, explicitly

right-handed design without sacrificing the performance and 60g weight advantage of the PRO X SUPERLIGHT 2.

- **PRO PRECISION:** The most advanced sensor in gaming. HERO 2 has sub-micron tracking at up to 44k DPI across full range of motion, and the ability to track at over 888 IPS/88G acceleration. Connect to G HUB for a free firmware update to unlock these specs.
- **PRO CONNECTIVITY:** Undisturbed gaming, wherever you play. Logitech's LIGHTSPEED wireless technology operates at up to 8kHz polling for a responsive and reliable tournament-grade experience. Connect to G HUB for a free firmware update to unlock these specs.
- **PRO PERFORMANCE IN A CLICK:** LIGHTFORCE switches combine the speed and reliability of optical switches with the satisfying feel and low power consumption of mechanical switches.
- **PLAY LONGER:** Get up to 95 hours of battery life on a single charge; recharge using the included USB A to C cable, or experience non-stop play with POWERPLAY (sold separately).
- **AGILITY & SPEED:** Weighing only 60g, move with greater precision and speed in FPS games where quick reactions and precise aiming are crucial for the win.

SYSTEM REQUIREMENTS

- PC with Windows 10 or later and USB 2.0 port
- [Optional] Internet access for Logitech G HUB software

TECHNICAL SPECIFICATIONS

- Onboard memory
- 5 buttons
- Sensor: HERO 2
- Resolution: 100 – 44,000 DPI
- Max. acceleration: > 00G
- Max. speed: > 888 IPS
- Zero smoothing/acceleration/filtering
- Max wired report rate: 1000 Hz (1 ms)
- Max LIGHTSPEED report rate: 8000 Hz (0.125ms)

PHYSICAL SPECIFICATIONS

- Length: 125.8 mm
- Width: 67.7 mm
- Height: 43.9 mm
- Weight: 60 g

WIRELESS

- Battery Life (Rechargeable): up to 95 hours

WHAT'S IN THE BOX

- PRO X SUPERLIGHT 2 DEX Wireless Gaming Mouse
- LIGHTSPEED wireless receiver
- USB A to C Charging/data cable
- Receiver extension adapter
- POWERPLAY aperture door with PTFE foot
- Optional grip tape
